DATE GOES HERE

Dear

On behalf of the 17<sup>th</sup> Annual *Day of Caring for Breast Cancer Awareness* Committee, we want to express our gratitude for your tax deductible donation. You are helping us transform lives.

Your contribution was instrumental in helping us to organize our insightful, inspirational, and fun-filled all day conference. Together, we are making a difference to empower and inform breast cancer survivors and those who care for and about them.

Your contribution helped underwrite the cost of this event and provide scholarships for breast cancer survivors who would not otherwise have been able to attend. Over 500 women and men attended the educational program, followed by a luncheon and wonderful fashion show with breast cancer survivors as our Models of Hope.

Thank you for being a part of this special day. We appreciate your support, as do all the breast cancer survivors, caregivers and people who care about breast cancer in our community. We look forward to you supporting our efforts again next year. If you would like to take your support one step further, we'd love to have you join us on event day and consider joining our planning committee, which meets once a month starting in September. Feel free to contact us at: [dayofcaringmiami@yahoo.com](mailto:dayofcaringmiami@yahoo.com)

Thank you again for your donation.  
Sincerely,

Vivien Knight & Doreen Ruggiero
