DATE

Dear Business Community Member:

Day of Caring for Breast Cancer Awareness is a non-profit organization headed by a small group of volunteers who strive to implement a yearly well-organized and highly interesting conference dedicated to educate, inform, and empower breast cancer survivors.

This one day conference will take place Saturday, May 4, 2019 at the DoubleTree Hotel Miami Airport & Convention Center at 711 NW 72nd Ave., Miami, FL 33126, and is divided into two parts; a morning session packed with workshops on a myriad of subjects of interest to breast cancer survivors and to those that want to live a healthy lifestyle, while the lunch component of the program is composed of a fashion show spotlighting breast cancer survivors who become our "Models of Hope" and strut the pink carpet in beautiful outfits especially chosen for them!

Other activities, such as a resource area manned by knowledgeable experts, a vendor area with a multitude of unique gifts or items of interest available to all participants, a silent auction with a large array of items, plus a chance drawing for a precious piece of jewelry are also concurrently provided to give everyone an opportunity to mingle, meet new people and have a great time.

Day of Caring is funded by dedicated and supportive sponsors who realize the importance of what this event accomplishes each year.

We are always happy to tailor sponsorship opportunities to the changing needs of our funders, and we are eager to explore new and innovative ways to partner with businesses in the fight against Breast Cancer. We believe much can be achieved in our work by meaningful collaborations with the business sector.

If your corporation would like to take advantage of one of the sponsorship opportunities we have available and explore ways to support the work of Day of Caring and the fight against Breast Cancer, please [contact us](#) to arrange a meeting. We need you to help us fight this fight!

Sincerely,

Lillian Villamizar* & Barbara Garcia*
